Policy Document On Environment and Energy Usage

The Environment and Energy usage Policy of S. Chandra Mahila Mahavidyalaya, Amgaon is to use and manage energy in a systematic way so that we could minimize its impact on the environment.

The policy implies to explore the renewable energy resources and to find out substitute natural resources as solutions to the energy crisis.

This environment and energy policy is binding to all its stakeholders.

Policies:

- To assess energy usage and measure its impact on the environment.
- To reduce air pollution emissions using environment-friendly vehicles, including bicycles, public transportation, and use of pedestrian-friendly roads.
- To install LED bulbs in the complete campus to save energy.
- To develop systematic waste management mechanism.
- To develop rain water harvesting unit.
- To undertake tree plantation programs.

This policy will be communicated to the students and employees via internal communication channels, and will be made available to all the stakeholders.

The Environment and Energy Policy, objectives and targets will be reviewed on a regular basis by the principal of the college.

involving the one external expert of the accredited Institution /
Government / Govt. recognised organization.

Dear Sir/ Madam

This is to bring to your kind attention that this is our first cycle of NAAC
accreditation and therefore we could not fulfil some parameters as
asked by NAAC.

This is to state that we could not do Green Audit / Environment Audit /
Energy Audit and hence we are unable to produce any document related
to it.

Kindly consider our request for the same.

Thank you.
