

Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual

Title of the Practice

Integrated growth of students through Extracurricular Activities

Objectives of the practice

With a view to provide impetus to improve in all spheres of life along with academics across various disciplines in the campus, the major objective includes the following:

- To develop a sense of social and civic responsibility
- To develop students intellectual, spiritual, social, physical and moral capabilities
- To find practical solution to the individual and community problems.
- Better time management
- Skills to accommodate hobbies and class activities
- Sense of commitment & responsibility
- Enhancing leadership potential and organizing skills of students More opportunities and better expression
- Learn new skills & boost self- esteem
- To develop competence required to share responsibility and work in group
- To practice national integration and social harmony
- To strive for the well-being of the society

The context

Extracurricular activities play pivotal role in achieving the quality and attributes of the graduates passing out from the institution. Soft skills are the key to success and social well-being. Extracurricular activities boost the self-esteem and confidence. Volunteers of NSS are actively involved in extra-curricular activities serving for the community and nation building.

The practice

As per the vision & mission statement, the institution is committed to provide quality education and make student responsible citizen.

The college extracurricular activities comprise of – NSS, and other departmental activities.

Activities by NSS

The volunteers strive for the well-being of the society. They work in groups and find practical solution to the problems.

- Various regular and special camp activities are done.
- Health Awareness Programmes
- Blood Donation camp
- Celebration of National days and Anniversaries
- Tree Plantation
- Skill Development through various programmes
- Cultural programmes involving the students
- Yoga Shibir
- Swachh Bharat Mission

- Various Awareness Programmes like de-addiction, trafficrules, voting rights, ShramDaan

Departmental Activities:

For the purpose of holistic and integrated development of students various activities such as college FEST, sports and cultural Day celebration, debate and essay competition, Rangoli competition, soft skills & capability enhancement schemes, initiatives at different level have been taken.

Evidence of success: -

- The impact of these activities could be seen in terms of student's achievements.
- Students received awards in various cultural activities / debate / elocution competitions
- Students become more positive, friendly and interactive.
- Voluntarily participation in field visits/ work increased
- Enthusiastic participation of students could be seen in workshops on PD, and Soft Skills.
- Huge success to Extension activities.
- Students felicitated on their achievements
- College FEST UMANG organized to provide a platform to students hone their skills.

Problems Encountered and Resources Required

- Insufficient funds
- Most of the students come from villages, therefore could not utilize these opportunities due to lack of time and resources.
- Herculean task to change the attitude of students.
- Unavailability of expertise in the surrounding areas for continuous training of students.

Title:

S. Chandra Karmachari Credit Cooperative Society limited

Objective:

To extend monetary help to teaching and non-teaching staff of the college.

To enable the staff to attain increased income and savings,

Context:

S. Chandra Karmachari Credit Cooperative Society limited is an autonomous association of teaching and non-teaching staff members who have come together to meet their economic, social and cultural needs.

This society was established in the year 2017 and registered under the cooperative society Act and Bombay society Act, to provide financial support, and stability to its members. Society provides various loan facilities like housing, education, health, and marriage loans.

Practice:

It is run by the staff members for the welfare of teaching and non-teaching staff. The membership is open to all staff. It's a democratic organization with president, vice president, secretary, treasurer and seven members elected or appointed in a manner agreed on by members. Executive Body of the

society is elected after every five years in a democratic manner. Each member, no matter of his share is entitled to vote and avail loan facility.

Evidence of success:

Meetings are held every year in the beginning of the session.

Many staff members are benefitted every year by loan schemes.

Problems Encountered and Resources Required

Lack of attitude for combined decision

Lack of secrecy

Day by day number of loan seekers are increasing.
